2. What are some proper manners of using electronic products?

B. Preview method:

★ Activity 1

Observe the picture and answer the questions. Circle the answers or write the answers on the blanks.

*You are correct!
 We should also use
 electronic device
 properly in our daily
 life.*

i. Is the boy using the electronic device properly?

(☒ Yes / ☐ No), because his eyes are not at a suitable distance
 from the Screen.

ii. Is the girl using the electronic device properly?

(☐ Yes / ☒ No), because she is not wearing earphones.

Activity 2

Amy had been playing mobile games for 3 hours since she returned home from school. When Mum asked her to stop and take a shower before dinner, she refused and wanted to continue the game.

Amy, it's time to stop playing those games and take a shower before dinner.

Why can't you just let me finish one level? You're so annoying! Just let me play for half an hour more!

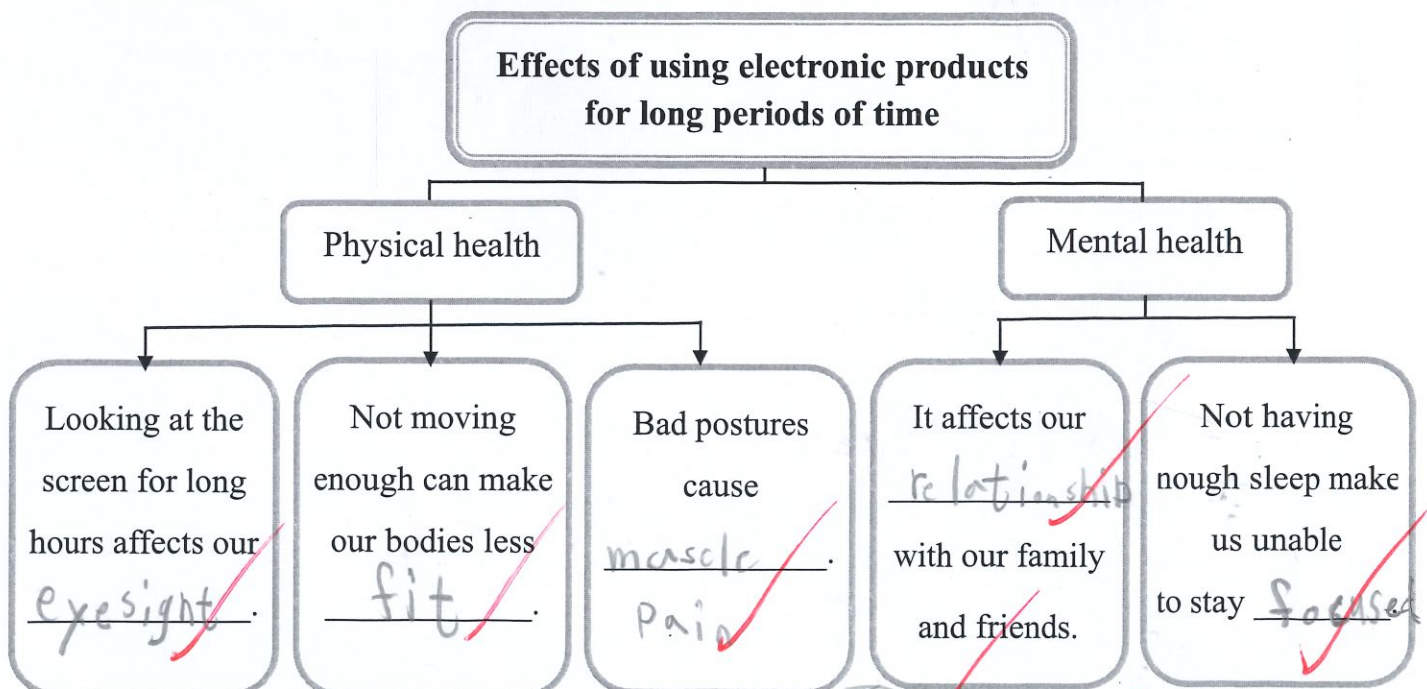

What would you suggest Amy to do?

I would suggest her to stop playing.

**C. Extension (Higher Order Thinking):

How does using electronic products for long periods of time affect us? Complete the mind map below to show the harmful effects.

Will you use them properly? (Yes / No).
